

Each of us are being affected by the Corona Virus in a variety of ways. Families are being forced to be separated from one another. The health and well-being of loved ones and fellow parishioners is of growing concern to each of us. Factories are adjusting shifts or even temporarily closing. Individuals are taking pay cuts, and all of this is taking a toll on our budgets.

The Church throughout the years has always been a place where individuals and families can turn to during crisis for spiritual assistance and sometimes financial assistance.

Through the generosity of an individual who wishes to remain anonymous, there is assistance available for folks who have a verifiable need. This is no time to be proud but rather see this as the fellow Christian who desires to give back. Please, God, someday each of us will be able to do the same. Please call 260-356-4798 and leave a voicemail for Fr. Tony or Kelly with information on how we can get back to you. Many thanks to our generous donor!
